

May, Tuesday 10

Looks like rain some to day [sic] Mr Pickett was here to day [sic] we drew out twenty three loads to day [sic] Andrew is better to day [sic] I went to see if I could get Mrs Bowdish to help Samantha to morrow [sic] as she is cleaning house and then came back and done the chores

May, Wednesday 11

Rainy in the morning and showery through the day Mr Pickett was here we drew two loads of manure from the barn and three out in the fie -ld [sic] from the straw stack bottom and then commenced to plow for corn in the afternoon

May, Thursday 12

Very wet for plowing but have to plow for corn Alpha is spreading manure while I was plowing had one or two showers through the day Mr Mccann commenced to plant corn to day [sic]

May, Friday 13

Still pleasent [sic] and nice weather for planting corn I am plowing for corn yet it is time corn was in the ground it is fifteen day [s] earlier than last spring by this time wheat does not look first rate this spring

May, Saturday 14

Clear and warm still plowing for corn Alpha finished spreading manure to day [sic] so he could go to Fitch burg in the afternoon to get some sugar did [not] got back till nearly dark Father brought Harriett down to day [sic]

May, Sunday 15

Sunday very warm and pleasent [sic] went to meeting in the afternoon and had Sunday school after meeting and formed the classes Haritt [sic] went up with us and came back the children are coming down with measels [sic]
