

May, Sunday 1

Warm and pleasant [sic] a nice growing time went to meeting in the afternoon up to the [illegible] school house and they organised [sic] for a Sunday school for the summer They are to have it every week at the present and some wanted every two weeks

May, Monday 2

Nice growing weather Went up to Byrons after some hay and corn stalks in the forenoon in the afternoon went to drawing manure I would help the boys load and while they were unloading I worked at my fence in the lane It will soon be planting corn time

May, Tuesday 3

Warm and pleasant [sic] worked at my fence while Alpha was unloading manure I helped to load Andre -w [sic] was sick all day was taken last night did not set up much in all day Nice growing time we need a little rain wheat looks very well for the time of year
