

July, Wednesday 27

Rained again last night but was pleasant [sic] in the forenoon. The boys went to Almira home and Samantha went up to Johns. Before they went I hitched to the mowing machine and cut up one side of a piece of grass and back mowed out the fenc [fence] corners and then went to rakeing [sic] rained in the afternoon

July, Thursday 28

Raining this morning early and rained hard most all of the forenoon the ground is very wet. Went over to Squares this afternoon and over to Fitchburgh and went to see [Lau?] Stowell for Truman to get some money for him. Staid [stayed] to Squares till after supper. cooler to night [sic] after the rain

July, Friday 29

Cooler and cloudy looks like clearing off. went and got and openend [opened?] out sixty seven dosen [dozen] of wheat. un loaded [unloaded] one load and went up to Hiram Burrells and made a visit. Brother Holts folks were there. Old Mr The lps [Thelps] died this morning. he was almost ninety years old lacking two days. We are passing away oh many has gone since he came on to the stage

July, Saturday 30

Pleasant [sic] and cool. went to mowing cut seven times around the piece and then stired [sic] out some that was cut before. And then drew in two loads of wheat and while the boys was un loading [unloading] one load I went to rakeing [sic] hay drew in one load and one of wheat and then went to rolling up hay

July, Sunday 31

Pleasant [sic] and cool nights. went up to Fathers. They boys went to Dansville to meeting. We did not go to church any where [sic] to day [sic]. went to Sunday in the afternoon. there was but a few out. we did not get home till after dark. had the chores to do after we came home
