

July, Thursday 21

Very pleasant [sic] after the storm the ground is very wet. Went over to Fitchburgh to get some groceries in the forenoon. In the afternoon finished one piece of wheat and drew in a load then took the reaper a part. The boys drove two cows up to George Douglass this morning.

July, Friday 22

Pleasant [sic] went to cutting [sic] east of the orchard after the dew went off did not get quite done to day [sic]. Willie Smith came after Jeannie and Nettie Burrell they have been here since Tuesday. I did not feel very well so I did not do anything after supper.

July, Saturday 23

Pleasant [sic] finished cutting [sic] wheat and then drew in a load of wheat into the barn. And then went to Dansville and took four bush [bushel] of wheat and one of corn to mill and then went to the quarterly conference and then run around school and got my flour and started for home and Martha came home with me. Came by Mr Wessells after Mary did not get home till ten o'clock.

July, Sunday 24

We have had two pleasant [sic] days but this morning looks like rain. Started to go to Dansville to quarterly meeting. Went by the way of H H Burrell and it rained as soon as we got their [sic]. So we did not get there till after preaching commenced. Elmira came home with us to night [sic].

July, Monday 25

Rained last night north of us. Went to work at the wheat to get some dry. Opened 40 dos [dozen] and unbound some of it. Drew in three loads into the barn. Some of it was damp could not do anything to advance [sic] on account of the rain. I have not finished haying yet.

July, Tuesday 26

Looks like rain again. Went to work at the wheat to get some dry to draw into the barn. Drew in three loads in the afternoon. In the evening it came up and rained hard north of us. We have a plenty of wet weather and wheat as growing in the shock. I have over four loads out yet.
