Sun [Sunday] Eve [evening] 7 P.M.

12:00 there

Dearest Wife

I shall try to write you a letter while I am waiting on it to get late enough to go to sleep, as I am already in bed. It has just started to rain out which makes the 2<sup>nd</sup> time today. The weather sure changes quick over here so I never know what it is going to do. I got 3 letters yes [yesterday] 2 was from the school I was supposed to attend. One was from Mary K 1 from you telling me that you got the watch. I haven't been doing anything as usual we played another ball game Fri [Friday] nite and won 14-5. It is sure good to be playing as it gives me something to do we have 2 games coming up this week. I went to the show last night and this Eve [evening] they were both pretty good at least they were not the type to make me homesick or lonely for you that is better than [page 2] usual. So you have been having some dreams huh? Probally [sic] about some other man rather than me. Are they better than the real thing? hope not or I won't have anything to do when I come home. I like the picture of you standing up I stuck it on my wall locker were I can see it everytime [sic] I open it. Don't tell anyone but I have kissed you 5 or 6 times of course not real but just play like. You know I have a confession to make I think I am in love with you. Since you say you are not jealous of me anymore I don't think you love me even thou [sic] you say you do. Only a little over 14 months to go does it seem like I have been gone 3 ½ mo's [months]? I will really be a happy guy when I hit Kilmer again. Well I think I will close for now. Hope everyone is dug out of the mud by now tell the Folks hello for me. You better not get to lazy to write or....
