Hello Darling

I shall try to get this in the morning mail. They have cancelled my orders to go to school. So do not write any letters to the address I sent you. Also call Mary K and the Folks tell them to send my letters to the same old address. I had a beastly weekend was much lonely for you. Was kind of counting on the change thought maybe I would like it better. It rained here last night doesn't look like it has quit yet either. Well Angel I will send this off.

I Love you to

Your Old Man

P.S. I have sure had a mess writing about the school all the time
