

September, Tuesday 13

Pleasant [sic] and warm Went to cleaning seed wheat and broke the fanning mill Andrew went over to Fitchburgh [Fitchburgh] to get it mended Alpha went to draging [sic] summer fallow I cut some corn in the afternoon till Andrew came home and then went to cleaning wheat as long as I could see

September, Wednesday 14

Still warm and pleasant [sic] went to cleaning seed wheat Andrew went to draging [sic] broke the drag before noon and come up after dinner took five bags of wheat and down into the field fixed the drag and then went to sowing wheat very warm in the afternoon did not sow but 2 and ½ of wheat

September, Thursday 15

Still pleasant [sic] and warm went to cleaning wheat in the morning till breakfast and then went to sowing in the field till I sowed what I had out there and then went to cleaning again Took out three bags in the afternoon and sowed them looks like rain was going down to Brother Bachelors to prayer meeting but it rained very hard

September, Friday 16

Cooler after the rain finished sowing wheat this forenoon in the afternoon went over to Squares to get his drag but could not for Mr Lord was useing [sic] it I came back to George Bachelors and got one and came home and went to draging [sic] till nearly dark The boys were picking cranberries

September, Saturday 17

Pleasant [sic] and cool went to cross draging [sic] this morning and worked awhile when John Holt and Ett and Harriet came down here a visiting I came up and Alpha went to draging [sic] After dinner Mary Gray came down here and staid [stayed] all night Father came from Mr Toxens in the afternoon

September, Sunday 18

Warm and pleasant [sic] went to Dansville in the forenoon to the funeral of Carlie [sic] Sutton he was buried in the burying ground at the Reeves school house There was meeting at the school house in the afternoon Samantha went up to Johns with Mary Gray Martha came home with me and Mary Moore came to and is going back in the morning
