He was born in Pike county, Missouri, September 7, 1820, where the subject of our sketch was reared and educated, getting his earlier schooling with his father who was a teacher, afterwards completing his education himself by hard study, excepting a few terms at the subscription schools. In 1839 he commenced teaching school near the place where the Concord Church now stands. In connection with his teaching he devoted his leisure time to the study of medicine, and in 1846 and 1847 he went to Louisville, Kentucky, attending the medical department of the University at Louisville, graduating in 1847; he then went to Buchanan county, Missouri, where he became engaged in his profession, practicing in different counties with marked success until the spring of 1849, when he went to Clarke county, locating in Winchester, and October 4, 1849, he was united in the holy bonds of matrimony to Miss Mary A. He then returned to St. Louis where he became engaged in teaming, and in 1846 he volunteered his services in the United States Army, and went to New Mexico, remaining there until the close of the Mexican War, when he returned to St. Louis, remaining there until 1849. He then went to the country in St. Louis county, Missouri, where he followed farming until the spring of 1854, when he came to Pike county, Missouri, locating on the place where he now resides, following farming, owning a fine farm of 320 acres of well improved land, being well fenced and watered.
