

April, Thursday 28

Plasent [sic] after the shower last night and the wind blowed [sic] very hard for a little while wind north finished sowing oats this fore noon And hung the gate down to the road and set a few fence post before dinner in the afternoon plow the garden and a piece for potatoes

April, Friday 29

Warm and clear finished plowing garden and sat out some straw berries and cut some seed potatoes for the boys to plant in the afternoon Went to Dansville to plow Martha garden and draw some manure went to the Lodge in the evening Martha was quite sick when I came there

April, Saturday 30

Looked like rain this morning early Wrote a letter to Jane and drew out three loads of manure and plowed Martha garden in the forenoon In the afternoon came home and then went over to Fitchburgh to take Mother Hopkins over there and to take Mrs Richmond some apples and to get some oil and matches
