### Biographical History

Mae Cady Kent was born in Utica, Missouri on March 29, 1916 to William Gabriel and Bessie B (Cady) Kent. She met her husband, Albert Lamar Drew, while at the Chillicothe Business College and they married on September 8, 1934. They lived in the Kansas City area. After retirement, Albert and Mae began researching their family history and were charter members of the Jackson County Genealogical Society as well as members of the American Family Records Association (AFRA). Mae died on June 2, 2010.

### Scope and Content

The creator of the collection used the ahnetafel numbering system beginning with Jeffrey and Mark Drew each being number 1 and going back through the generations. The creator arranged the family group sheets numerically and added an alphabetically index. Family group sheets and document folders do not exist for every ahnetafel number. Each folder within the collection is numbered according to the system and includes documentation, photographs, correspondence, newspaper articles (copied) and other relevant materials relating to the particular individual.
