Mon [Monday] Morn [morning] 9:45

Hi "Honey",

Boy we have sure been rushed these past few days, I have already [sic] finished 2 jobs this morn [morning] so now and between 1 o'clock when I have another Lt [Lieutenant] to pack I will try to get this weekly report off to you. I finally got a letter from Frank he said that you hadn't wrote them for quite a while. I should have wrote to him when his pop died but didn't get around to it. Well I am still waiting and wondering surley [surely] it has arrived by now. Before to many more days (6 to be exact) I will be gone 9 months so please hurry up or the neighbors may start talking again as for me???? that's your worry. Really I would do [page 2] nothing as I love you and I guess I did it. You just be careful after it is born even cold natured me has some mighty hot moments. Of course I forgot you said you were going to quit.

Angel it seems like these days are getting longer and longer I am missing you more and more although there is nothing I can do I sure hate to wait 9 more months to be with you again. Sure the dames were beautiful but believe it or not I suppose you have me hooked pretty tight as they didn't bother me a bit. It looks like Christmas is just around the corner I have to get you and the baby something as for the rest of the things I recon [sic] it will be up to you [page 3] as I am not much of a shopper.

I don't recon [sic] there is any need me telling you what I did this past wk [week]. Same old things went to shows played basketball couple, beat on the old guitar, Thur [Thursday] as usual I played bingo. I won't this Thur [Thursday] as we are spending the night out in the field. One thing I am glad of is the big inspections are past now we have to stand inspections every other wk [week] as the I.G. [Inspector General] wasn't to hot, I got my pass pulled for 1 night (had a dirty shovel). I am out of writing material so will sign off. Tell everyone hello for me. Hope it is over with and you are feeling okay.

All my Love
