

September, Thursday 1

Warm and dry Finish unloading a load of hay that was on the wagon while the boys done the chores Alpha went to plowing and Andrew and I went to cutting [sic] corn Mrs Bachelor and Mrs George Douglass and Mrs Muscott was here to help Samantha sow [sic] Rained this afternoon Andrew went to take Mrs Muscott and Mrs Douglass home

September, Friday 2

Cloudy and cooler Andrew went to plowing Alpha and [I] went to cutting [sic] corn in the forenoon in the afternoon he went down on the marsh to pick some cranberries But he did not feel well so he did not stay long he came up and had the ague I did not go to cutting [sic] corn after supper

September, Saturday 3

Looks like rain I cut some corn till it rained then went to work in the barn cleaned up the floor and cleaned some oats and some wheat for seed In the afternoon Andrew finished plowing the summer fallow I cleaned up six bags of wheat Shall run it through the mill again

September, Sunday 4

Pleasant [sic] and cool went up to Fathers and Harriet [sic] went home went to meeting in the afternoon up to the School House and heard the new preacher I think he will be well like[d] and may he do much good during the coming [sic] year

September, Monday 5

Cool for the time of year Started for Dansville early to attend the Stewards meeting and to get Martha We took breakfast to Brother Lowels Went up to Fathers in the evening to get his stove to take to camp meeting School meeting to night [sic]

September, Tuesday 6

Pleasant [sic] and warm worked all the forenoon to get ready and loaded up to go to camp meeting Started in the afternoon for the meeting and when we arrived there we found that they had moved the ground So I had to move my tent up onto the ground We staid [stayed] in Brother Glenn tent over night till I could build mine
